The Make-A-Wish Foundation® of San Diego is a charitable non-profit organization whose purpose is to grant wishes to children between the ages of 2-1/2 and 18, who have been diagnosed with a life-threatening medical condition. We believe in the "**power of a wish.**" It is our purpose to provide these special children and their families with an experience that is dramatically different from hospitals and treatments. A wish offers welcome respite - a time of normalcy and just plain fun, a time of joy and laughter that will give them "magical memories" for years to come.

Our 23rd Annual Make-A-Wish Golf Classic will take place at **Maderas Golf Club** on **Monday, July 18, 2011**, and will raise important funds to make these special wishes come true. The event will include 18 holes of golf on one of San Diego's most prestigious courses, target raffle, auction, gourmet lunch and dinner, and much more.

Sponsorship opportunities include participation in the tournament, tee and beverage station sponsorship, program ads and much more.

Please join us and help make wishes come true for our special wish kids!
